TOWN OF EASTON

TOWN MEETING WARRANT

To the inhabitants of the Town of Easton in the County of Grafton, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 10 at 7:30 in the evening. Polls will be open from 1:00 to 6:00 p.m.

To act upon the following subjects:

ARTICLE 1. To choose all necessary officers for the ensuing year. (*Ballot Vote*)

To see if the Town will vote to approve or disapprove proposed amendments No. 2 through No. 5 to the Town Zoning Ordinance as presented by the Planning Board on the official ballot.

ARTICLE 2. Are you in favor of adoption of amendment No. 1 to the Town Zoning Ordinance as proposed by the Planning Board?

To replace the current term "trailer coach" and its definition with the term "recreational travel vehicle", which is defined as follows: A vehicle equipped with either sleeping, kitchen and/or bathroom facilities, self-propelled or able to be pulled by another vehicle, and designed for travel and not as a stationary permanent residence, and change all reference to "trailer coach" to "recreational travel vehicle".

Yes _____ No _____

ARTICLE 3. Are you in favor of adoption of amendment No. 2 to the Town Zoning Ordinance as proposed by the Planning Board?

To replace the current term "mobile home" with the definition of "manufactured housing": means any structure, transportable in one or more sections, which, in the traveling mode, is 8 body feet or more in width and 40 body feet or more in length, or when erected on site, is 320 square feet or more, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to required utilities, which include plumbing, heating and electrical heating systems contained herein. Manufactured housing shall not include presite built housing as defined in State Law RSA 674:31-a and also shall not include "recreational travel vehicles", and change all references to "mobile homes" to "manufactured housing", including Article 9, Section 901.

Yes _____ No _____

ARTICLE 4. Are you in favor of adoption of amendment No. 3 to the Town Zoning Ordinance as proposed by the Planning Board?

This amendment would change having a recreational travel vehicle from a special exception use to a permitted accessory use and sets up time periods for use and storage on both residential and vacant lots:

a. Delete current section 602(17) and add to Section 601(a)(3) the following sentence: A single recreational travel vehicle may be stored on a property.

b. Add to Section 601(c), a new subsection (2) to be as follows: (2) The use of a recreational travel vehicle on a property shall not exceed a total of 60 days in a calendar year, including no more than 30 consecutive days, except as Section 805 permits for use in conjunction with construction. A recreational travel vehicle shall not be stored on a vacant parcel of land for more than 45 days. Any extension of these time periods shall only be granted after application to and review and approval by the Board of Selectmen.

Yes _____ No _____

ARTICLE 5. Are you in favor of adoption of amendment No. 4 to the Town Zoning Ordinance as proposed by the Planning Board?

To prohibit recreational travel vehicle campgrounds by adding to Section 602(5) which currently allows “park and recreation areas” as special exceptions the phrase “excepting private recreational travel vehicle campgrounds”.

Yes _____ No _____

ARTICLE 6. To see if the Town will vote to pay the Selectmen and other Town Officers an annual salary during the current year in accordance with the following schedule, and to raise and appropriate money for same:

Chairman, Board of Selectmen	\$450.00
Selectman	\$350.00
Selectman	\$350.00
Tax Collector	\$450.00
Town Clerk	\$225.00
Treasurer	\$225.00
Auditor	\$100.00
Moderator	\$50.00

ARTICLE 7. To see if the Town will vote to raise and appropriate \$4,000.00 to construct a ramp and install a new door to the Town Hall. This ramp and doorway will provide safe entrance to the Town Hall by disabled residents and it will be built to State specifications.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to be added to the Reappraisal Reserve Fund.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Fire Protection Reserve Fund.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,405.00 for Regional Health Care Agencies in accordance with the following schedule:

Littleton Hospital	\$600.00
Ross Ambulance	\$205.00
White Mountain Mental Health	\$188.00
North Country Home Health Agency	\$242.00
Grafton County Senior Citizens	\$170.00

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$843.00 for Regional Associations in accordance with the following schedule:

Franconia, Easton, Sugar Hill	
Chamber of Commerce	\$500.00
North Country Council	\$208.00
Tri-County Community Action Program	\$135.00

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$1,150.00 for the Franconia Recreation Program.

ARTICLE 13. To see if the Town will vote to authorize the Selectmen to hire money for defraying Town expenses in anticipation of tax revenues, if necessary.

ARTICLE 14. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to apply for, receive and expend, without further action, any grants which may become available during the year as set forth in RSA 31:95-b.

ARTICLE 15. To see if the Town will vote to create a special unpaid committee to be known as the Upper Grafton/Lancaster Area Refuse Disposal Planning Committee pursuant to RSA 53-B:1 and appropriate a sum not to exceed \$283.00 for investigative engineering services. This committee shall study the advisability of establishing a Regional Refuse Disposal District and shall report back to the Selectmen and the Town for further action at a subsequent Town Meeting.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$55.00 to contribute to a regional Household Hazardous Waste Collection Project. This program will provide for the proper disposal of hazardous household products which are corrosive, toxic, reactive, and/or flammable, including household cleaners, paint products, pesticides and herbicides, and the like. Subject to adequate funding, collection will take place by June 30, 1987.

ARTICLE 17. To see if the Town will vote to raise and appropriate \$600.00 to purchase office equipment for use by the Town Clerk. The needed equipment includes: a small print electric typewriter, a locking file cabinet, additional storage containers, and miscellaneous office supplies.

ARTICLE 18. To see if the Town will vote to raise and appropriate \$500.00 for ceiling fans at the Town Hall.

ARTICLE 19. To see if the Town will vote to raise and appropriate \$500.00 for road signs for Town road designation.

ARTICLE 20. To see if the Town will vote to raise and appropriate \$1,200.00 for a radio which will enable the Fire Superintendent to communicate more effectively.

ARTICLE 21 To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for use as setoffs against budget appropriations in the amount indicated; and further, to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

Appropriation	Amount
Solid Waste Transfer Station	\$768.00

ARTICLE 22. To see if the Town will vote to raise and appropriate such sums of money as is stated in the proposed budget as posted.

ARTICLE 23. To see if the Town will vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Easton unless and until the proposed site for the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot. *(By Petition)*

ARTICLE 24. To act upon any other business that may legally come before this meeting.

Frederick Moody
Charles C. Chase
Walter Woods
Selectmen of Easton

SELECTMEN'S REPORT

The two primary reasons expenditures exceeded budget authorization were; summer road maintenance and fire protection. Last summer, approximately one half of the Town roads were surface treated with an oil sealer. This routine maintenance item had been deferred for some time. Oil prices were at a ten year low and we had received complaints that the pavement was literally breaking apart. It is our intention to complete the road rework surface maintenance program this summer.

Once again this year the Town suffered from numerous house fires. Our contract fire departments responded to fires when called, with two more going unnoticed. We have seen a 17% increase in our contract cost with Franconia and Sugar Hill. There is a genuine desire by both of these towns that Easton get started with its own fire department. In response to this, we have increased our fire protection reserve fund request to \$5,000. There should be a sufficient amount in the reserve fund in 3-5 years to establish a small fire department. Again, we request that anyone interested in becoming a firefighter please contact us.

Solid waste continues to be an important issue for Easton and all other area towns. Easton is a member of the Upper Grafton Solid Waste District which is continuing its planning efforts this year. We have included \$280.00 in the budget for the planning district to conduct an on-site engineering evaluation of several areas for a district owned landfill and to negotiate with the private sector vendors for a long-term solution to the solid waste problem. As a side note, the transfer station is currently hauling to a landfill in East Ryegate, Vermont, at a net cost savings over the previous year.

Handicap access to the Town Hall is again on the Town Warrant. This as you may recall it, has been defeated twice in the past. However, the Town has certain legal obligations to its residents and accessibility to public meetings is one of them. We hope the proposal this year reduces the visual impacts while providing for the needs of the disabled.

Selectmen of Easton

TRI-TOWN RECREATION PROGRAM

SUMMER RECREATION PROGRAM

	1986	1987
	Expenses	Budget
Salaries	\$5,382.50	\$5,400.00
Insurance	250.00	250.00
Bus Rental	1,137.00	1,200.00
Pool Rental	700.00	700.00
Miscellaneous	34.00	140.00
	<u>\$7,503.50</u>	<u>\$7,690.00</u>

SUMMER BASEBALL PROGRAM

	1986	1987
	Expenses	Budget
Equipment	\$509.10	\$500.00
Insurance	250.00	250.00
Miscellaneous	92.96	150.00
	<u>\$852.06</u>	<u>\$900.00</u>

WINTER RECREATION PROGRAM

	1986	1987
	Expenses	Budget
Maintenance & Labor	\$1,840.00	\$1,840.00
Gas & Electricity	1,493.89	1,500.00
Insurance	67.00	70.00
Miscellaneous	303.13	500.00
	<u>\$3,704.02</u>	<u>\$3,910.00</u>

The Total Tri-Town Recreational Budget will be \$12,500.00 for 1987. No increase over 1986 budget. Proposed appropriation is Franconia, \$7,900.00; Sugar Hill, \$3,450.00; and Easton, \$1,150.00.

Our Summer Program was supervised this year by Rick Simmons with Elizabeth Andross, Sue Ash and Mattie Jean Hunt. The program included Red Cross Swim Instruction, hiking, biking, arts and crafts and trips to Storyland, and a trip to Fenway Park to see a Red Sox game.

The Winter program included hockey and figure skating. Again this year Jim Cavanaugh was in charge of maintenance of both rinks.

Thanks to David Sullivan, and the coaches, we had another successful season of Little League. Which included the Franconia All-Star team winning the championship.

FIRE SUPERINTENDENT'S REPORT

Easton had 25 fire calls in 1986. This represents a significant increase over previous years. I feel Easton is going to have to address the problem of fire protection for itself in the very near future.

In 1984 a committee was set up and an extensive report was generated; of which several alternatives were presented. The town elected at that time to continue with contracted service with the two towns of Franconia and Sugar Hill. Briefly; I would like to review alternative C page 4 of the 1984 report whereby the Pros for Easton's own department are as follows:

- Eliminate present contractual costs
- Reduce the majority of Easton home fire insurance rates
- Increase participation in fire protection security

The Cons:

- Easton manpower is marginal to obtain significant fire department membership
- Initial operating costs may be in excess of this report
- Lack of housing fire equipment

At this time I think the findings of this report still holds true but feel we must overcome the problems in establishing a fire department of our own and press toward that goal. It would be costly to establish a fire department in the town of Easton, but savings over present contracted protection would produce a gain for the town. This gain for our town would be shown in a short period of time. A proposal at the 1988 meeting should be presented to establish Easton's own fire department. As our town grows and expands we must start considering taking care of our own, as well as giving more input to our neighbors and present protectors Franconia and Sugar Hill.

Once again I must remind you of the importance of a well maintained stove and chimney as these are two major causes of fire. Recent figures from the State Fire Marshall show that 52% of fires originated within the chimneys of single and two family dwellings.

Most people don't think about fire until it happens, then it is too late. Take time to be familiar with fire and what it can do to you, your loved ones and your property. Have a plan of action if fire strikes.

Respectfully submitted,

Stanley R. Sherburn
Fire Superintendent

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

POLICE DEPARTMENT REPORT

ACCIDENTS:

Were down to 6 this year with no injuries. Some of the cars were a little worse for the wear after rolling over a time or two. Eastons tricky little curves really sneak up on a person who was probably going too fast on a strange road and sometimes slippery conditions. Some others were lucky and only got stuck in snow or sand when going off the road.

BREAK-INS:

This Department was called to 4 this year. Items were taken from three while the fourth only showed damage by entry. Apparently they were scared off. One case was solved and restitution is imminent with the assistance of the State Police. One bicycle was reported stolen and later recovered due to the sharp eyes of the young owner.

DOGS:

There were a few stray dogs this year. Some we knew and some had I.D. tags on their collars. Others were found a Home. Lt. Bob Anderson wrote down a Car License Number and helped us solve a dognapping.

REMINDER - APRIL 30 IS THE DEADLINE FOR LICENSES!

This Department received 208 calls this year, which was a 30% increase over the previous year, for assistance, information, citizen complaints and concerns. The Department had 100% increase in man hours in 1986, standing by at Fire and Fast Squad calls, accidents, car breakdowns and investigating breakins. We appreciate the fact that more and more Easton Residents notify us when they are going to be away. It helps us to help you.

Easton Police Department wishes to Thank the Sheriffs Department, the State Police, and the Franconia-Sugar Hill Police Department for their response when we have a problem. The replacement radio has improved communications for all police and interdepartment calls.

The support of the Selectmen has made the job easier. Thank you.

Respectfully submitted,

Edward P. Cutter
Police Chief

BUILDING INSPECTOR'S REPORT

Permits were issued for 9 new houses and for 10 additions or alterations to existing houses.

Charles C. Chase,
Building Inspector

ROAD AGENT'S REPORT

The Easton road system increased in 1986 with the addition of John Blocks Subdivision. This road has been well built and should be easy to maintain.

The highway expenditures for 1986 were over budget due to a busy winter maintenance schedule and resurfacing the Black Top roads which had not been done for several years. The decision to do the black top work this year was made in view of the fact that the price of asphalt was lower than it had been in some time.

The question has been raised about having road signs for all town roads. I think this would be a great help for delivery people and visitors to our area.

Respectfully,

Robert P. Peckett, 3rd
Road Agent

PLANNING BOARD REPORT

The highlight of the Planning Board's year was the completion by the Grafton County Soil Conservation Service of maps delineating the types of soils in Easton. Thanks to your funding last year, we were able to acquire this valuable information. Soil Conservation Service provided maps and three types of reports that helped us (and can help all landowners) understand the capabilities of soils. We have been looking at different soils and obvious resource problems such as poorly-drained soils, steep slopes, and poor septic system sites. The idea is to use this information to guide future development and conserve valuable resources.

We hope at Town Meeting to present a summary of our Master Plan work to date, including the above soil data and the survey of residents. It is still not too late to drop off a completed survey or pick up one, if we missed you.

In terms of subdivision activity, we were busy throughout the summer discussing possible subdivisions with a few landowners. Major concerns have been adequate and legal rights-of-way and roads. Though we received no actual applications, folks usually take time during the winter to get the paperwork underway, so we do expect to see some subdivision activity in early 1987.

We had a couple of lively meetings this past summer and we do encourage people to stop in at our regular meetings to discuss their community concerns or problems.

Easton Town Picnic	Sunday, September 20
Fire Wardens Picnic	Saturday, September 26
Fire Wardens Supper	Thursday, October 22
Holiday Party	Saturday, December 12

GRAFTON COUNTY COMMISSIONERS' REPORT

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents, realizing your concerns and our accountability for a fiscally conservative budget.

We have heard that budget message and continually strive to meet mandated and essential services in the most efficient and effective, yet economical manner possible. This has been reflected in tight county budgets the last two years, resulting in decreased county tax requirements. Some towns may have seen increased county taxes due to evaluation and apportionment formula used by the N.H. Department of Revenue Administration. However, public services at the county level still usually reflect more equitable distribution of tax dollars. County tax averages 6.2% of base property taxes.

The county is facing the same problems in the insurance market as the towns. However, we have joined in the N.H. Municipal Association's insurance programs for most coverage needs at reasonable cost. We shall also have to deal with the loss of Revenue Sharing funds in the next budget.

It is too early to make a comprehensive report on the new welfare system under Senate Bill-1. We do know that with the change in program liabilities, county costs will substantially increase, and towns should realize a decrease in welfare assistance payments. County focus under SB-1 is to serve the needs of the children, the elderly and disabled. Because the north country is growing with changing needs, growth in the elderly population, and expanded service requirements, we must look to the future to meet those needs.

The House of Correction occupancy figures have grown dramatically due to week-end sentencing, new DWI laws, and continuous one year sentencing to avoid incarceration at state prison, causing overcrowding at the Correctional facility. One option now under consideration is the construction of a two story dormitory type addition for 30 beds. The result would be a net increase of 18 beds meeting space standards under a plan in line with previous jail study recommendations, and at far less cost than a new facility.

The farm continues to be self-supporting, provides work for inmates, and offers access for experimental projects. The Register of Deeds net profit margin is 3.6% of county revenues. The Sheriff's Department provides essential services in transport, superior court, dispatch, and other law enforcement activities, with increased revenue in fees. The Nursing Home is one of the finest in the state.

We are proud of our county; of the dedicated staff, exemplary services and high standard facilities.

Commissioners meet weekly, and encourage public attendance. We welcome facility tours.

Our thanks and appreciation to all.

Respectfully submitted,

GRAFTON COUNTY COMMISSIONERS:

Dorothy Campion-Corcoran, Chairperson

Arthur E. Snell, Clerk

Leonard F. Anderson, Commissioner

NORTH COUNTRY COUNCIL-ANNUAL REPORT

Calendar year 1936 was a busy and productive year for the North Country Council as it continued to provide a wide range of assistance to towns and cities in the North Country.

The Council is a regional non-profit, public agency chartered under NH RSA 36:45 and is responsible for providing its member communities assistance in local community planning, economic development, solid waste, transportation, and various other community services. Besides the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues at the state and federal governments.

Growth and development is no longer unique to southern New Hampshire; North Country towns are experiencing similar growth pressures. The Council recognizes the impacts associated with this development to schools, roads, waste disposal, water, etc. The Council is dedicated to assisting town officials with these complicated issues. Because most of the Council member towns do not have a staff of their own to do the research, answer the questions and respond to incoming requests, the Council has revised the way we help member towns. Now, each town has a staff person assigned to assist the local officials of that town with their daily needs. In this way, the Council serves its membership more efficiently.

In Easton, we provided planning assistance to the Upper Grafton/Lancaster Solid Waste District and submitted the 10-year plan to the State. We advised the Town on a soil lot size ordinance, zoning changes and a solid waste commercial haulers' ordinance.

Economic Development is an important part of the Council's overall agency mission. This year the Council developed two marketing products; a regional brochure promoting the region and community profiles which the ten growth communities in the region are using to market their industrial development potential. The Council also produced a series of magazine advertisements, along with a display at the Eastern States Exposition, promoting the North Country as the sensible place to do business. The Council is now developing a workshop series on industrial development marketing for local officials in the region who are actively seeking economic development.

This past summer the Council co-sponsored the very successful North Country legislative tour. Over 285 legislators and their guests toured the North Country getting a glimpse of the life, economy, and culture that makes our region unique. A follow-up legislative reception was held in December to develop a legislative agenda for 1987. The tour and reception should have future beneficial legislative impact to the North Country.

The Council again provided information and guidance to several towns on federal and state grant and loan programs. This past year saw the Council administer over \$3.0 million in Community Development Block Grant funds. The funds cover such activities as housing rehabilitation, downtown revitalization, business revolving loan funds, and housing rehabilitation feasibility studies.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or one-time basis for subdivision and site plan applications.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered such topics as local planning board procedures, administration and enforcement of ordinances and review of recent court cases and state law changes regarding local land use planning.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.
